Dear Bruce:

We have had the pleasure of working with you on Cottonwood Corporate Center Buildings #10 and #11, the corporate headquarters for Blue Cross - Blue Shield of Utah, and Sahara Construction's new offices. We are very pleased with your terrific service, the fine materials, and the high-quality installation.

Thanks to you and Chris for helping to make these projects a success.

Yours truly,

A handwritten signature in black ink, appearing to read 'David Brems', with a long horizontal flourish extending to the right. A small black arrow points upwards to the top of the signature.

David Brems, Principal
